

Opportunità commerciale Iraq

Testo	<p>By John Lee. The National Investment Commission (NIC) has announced a new investment opportunity in Iraq: Due to the historical heritage Thi Qar province enjoys, which goes to thousands of years back and admired by many countries around the world, the need for building the Nasriya International Airport is of great importance in order to open Nasriya to the world. The NIC announces with coordination with the Civil Aviation Authority the investment opportunity to build Nasriya International Airport according to investment law number 13 for 2006 (amended), and the general, international, technical, and operational requirements to establish civil airports stipulated in the International Civil Aviation Organization (ICAO). The airport is located to the south – west of Imam Ali (PBUH) air force base in Thi Qar province as shown in chart (1). Area of the Passengers terminal structure is 3000m² as shown in chart (2). Interested foreign and local companies can apply by filling the investment licenses available on our website and submit all required documents to our email address info@investpromo.gov.iq within 15 days from the date of announcing this advertisement. For more information, please contact the Civil Aviation Authority head quarter Baghdad International Airport/ third floor info@icaa.gov.iq P.O Box: 23006 BIAP (Source: National Investment Commission)</p>
